

INTERVIEW QUESTIONS

Have you visited the College before or did you visit on our Open Day?

Why do you want to study at this College?

Why do you want to study art and design?

What do you like about the specialist subject you've applied for?

What attracts you to this particular course?

Which work/project have you found most difficult and challenging in your portfolio and why?

What galleries/exhibitions have you been to recently? Tell us about them.

If we took you on course, what do you think you can offer?

What do you hope to learn on this course?

What is your best and worst piece in your portfolio – tell us a little about them?

What did you learn from making a particular piece?

What would you do differently with your portfolio if you were to do it again?

What was the last book/film/documentary you read/saw? Tell me about it.

How do you keep up with what's going on in the world?

****** is a very intensive course, how would you deal with the heavy workload?**

How important is drawing to you?

Who/what inspires you?

What is art?

What do you think to the written part of the course – how will you manage it?

Tell me about a specific project/ slide which helped you tremendously and why.
